Purpose of the Meeting

The South Coast Air Quality Management District (SCAQMD) staff has scheduled a Public Consultation Meeting to present and solicit information and suggestions from the public regarding **Proposed Amended Rule 444 – Open Burning**. The proposed rule amendments are a continuation of efforts to amend Rule 444 provisions related to open burning at beach areas that began in March of 2013. SCAQMD staff is recommending that the Public Hearing be rescheduled to July 12, 2013. Look for updated information at:

Air Quality Objective

Adoption of the Proposed Amendments will reduce public exposure to fine and coarse particulate emissions from open burning at beach areas.

Summary of Proposed Amendments

Rule 444 amendments include provisions of paragraphs (b)(11) and (c)(7), subparagraph (d)(3)(G), and paragraphs (d)(4), (h)(5) and (h)(6) that include, but are not limited to:

- A new definition of Beach Burning.
- Prohibiting beach burning after June 1, 2014 **unless specified criteria are met.**

- State or local public agencies that provide fire pits for beach burning will be required to meet specific criteria.
- Additional amendments may also include minor changes intended to improve rule clarity.

It should be noted that local, county, and state park agencies, as well as the general public that participate in beach burning activities, will be impacted by this proposed rule amendment.
